

isdn
WORLDWIDE ISDN LTD

VIDEO CONFERENCING

Enabling global meetings without the inconvenience and cost of travelling

WE PROVIDE

MULTI-POINT & IP GATEWAY

Multi-point & IP Gateway

Make meetings effortless by letting us dial out, meet and greet and provide continuous presence during your meeting

Sit back and let us set up your video meetings to multiple locations regardless of whether each site is connected via ISDN or IP.

We will test call each site to avoid any delays and be on hand to support you throughout your meeting.

View each participating location continuously.

TO DELIVER YOU THE BENEFITS

- Minimise on travelling costs and time
- Improved productivity
- Tailored itemised billing specific to Video Conferencing
